Subject: Meeting with Yakama, NOAA and Ridolfi
Date: 01/03/2007 05:31 PM

Hi Eric! Hi Chip!

Ray and I (maybe Paul) plan to attend the Project Managers meeting on January 10th. We are planning to officially introduce Ridolfi as Yakama Nation's technical consultant for the Portland Harbor Superfund Project. If you are available to meet earlier that day (10:30?) we would like to take the opportunity to introduce you to Callie Ridolfi and Sheila Fleming prior to the Project Managers meeting. We would like to discuss Ridolfi's involvement in the project and talk about some creative ways that Yakama can be value added to the process. I am really looking forward to working with Ridolfi on this project and feel that their involvement will be very positive.

Are you available to for a meeting on Wednesday, January 10th at 10:30am?

Thank you!
~rose

NOTE: Sean and I scheduled our meeting with Ridolfi on February 8th to discuss Early Actions. Sean thought it was a good idea to include Parametrix in our meeting. I am very open to including others that you may want to attend our meeting.
